Re: SLOCOG 2006/07 – 2009/10 Federal Transportation Improvement Program Amendment #10

Attention: Rachel Falsetti, Transportation Programming, MS-82

Dear Mr. Kempton:

We have completed our review of the San Luis Obispo Council of Governments' (SLOCOG) 2006/07 - 2009/10 Federal Transportation Improvement Program (FTIP) Amendment #10, as requested by your letter of September 17, 2007. This SLOCOG FTIP amendment adds five new projects:

1. Construct left turn lane on El Camino Real at Carmel Road (MPO #22300000212)
2. Widen Shoulders on Templeton Road (MPO #22300000214)
3. Nipomo Elementary School Safe Routes to School Improvements (MPO #22300000215)
4. Install Traffic Signal at Grand Ave & US 101 NB Off Ramp (MPO #22300000211)
5. Class I Multi-use Pathway Connection (MPO #22300000216)

We find SLOCOG's FTIP Amendment #10 was developed based on a continuing, cooperative, and comprehensive transportation planning process in accordance with 23 USC 134 & 135, 49 USC 5303-5305, and 23 CFR 450. California Department of Transportation assures this amendment has met the financial constraint requirements included in our transportation planning regulations (i.e. 23 CFR 450.324(e) and does not adversely impact the FSTIP Financial Plan.

The SLOCOG FTIP Amendment #10 is approved and included into California's 2006/07 – 09/10 Federal Statewide Transportation Improvement Program (FSTIP); with the understanding the eligibility of individual projects is subject to the applicant's satisfaction of all FTA and FHWA administrative requirements.
